The Week Of Homecoming

Junior pride ... Who's the imposter?

Coach Schliem-25 years in the future.

The Homecoming Dance Band provides audible entertainment.

Mark Warren dresses up for Mascott Day.

Pals forever!

The Seniors grapple with the tug-of-war.

The Juniors grapple just as hard, but WOW ... what a view.

A new dance was added to Milton High's Social Calendar. Sponsored by Blackhawk Staff, it was given the name "The Harvest Moon Dance", and was patterned after a college fraternity dance where all the guys pinned their dates. Another twist was when court was selected out of a hat with Marcia Fisher reigning as Queen and Joe Martin reigning as King. The notorious band "Escape" provided the music for the first annual dance under the "Harvest Moon".

The Harvest Moon

Marcia Fisher and Joe Martin as Queen and King.

The band "Escape" struts their stuff!

Mike Unruh answers to the cry of the mobbing crowd.

Getting into the song.

The crowd swings to the beat.

..... *And During The Night*

Queen Cindy Snyder gazes into the camera as last year's queen crowns her.

Take my arm and the night will be ours.

Refreshments are a must at every dance.

T. Beren and K. Roberts enjoy the dance.

No one will ever know the appreciation the Senior Class feels towards Mr. Kautza. The countless hours of planning and preparation were a total success. We hope that the smiles on Mr. and Mrs. Kautza's faces are a test to the fact that they are enjoying the dance. Thanks Mr. Kautza!!!

The fielded view, the baseball diamond is a busy place.

Spring is here and it's time for America's favorite pastime, baseball. With this being the last organized sport of the year, the spirit is very high. So with this in mind let's head out for a spirited game of baseball.

The Three Musketeers do what they can.

Pitching It Straight

If I follow through ...

Practice for any sport is hard, and baseball is certainly no exception. Your hard work pays off though when you win. Under the super leadership of Coach Schliem, baseball team completed a very successful year by winning conference. We can all be proud of our team!

I know I can get it across the plate.

Back row pictured from left to right: S. Jacobson, W. Shannon, Q. Lamers, D. Schwabe, D. Dabson, J. Kutz, R. Urban, E. Roehl, S. Smith, Coach Schliem. Front row left to right: D. Blaser, D. Koele, C. Jacobs, D. Weibe, J. Martin, M. Sisson, M. Brown, R. Fisher, D. Ryder; Mgr.

Balls, Bats, And A Bevy Of Beauties

Something new ... at school. That's right! Spring sports has a new addition and it belongs to the girls. Softball is the name, and why not? Girls can have as much fun as the guys and be big sluggers too. And what a slugger of a year they had. So if it is spring, and you girls find you have nothing to do, and you have to get that spring fever out of your system, come to softball, and whale on that ball.

Front row: L to R. B. Ronde, E. Evans, C. Bentz, T. Getchel, C. Ward. Row 2: C. Campion, M. Weberpal, B. Kirsteatter. Row 3: W. Barlass, L. Knutson, T. Green, D. Sanford, L. Pieterek, S. Counter, A. McNichols, C. Kloff and C. Gamboa.

Practice makes perfect and keep your eye on that ball.

And here it comes

For The Love Of Tennis!!!

Would you scope on the expression on that guy's face!

With a team like this, who needs to play. The characters that are in this sport would be enough to attract anyone to a meet. And at-

tract they did as they escorted "Van" to state. Surely these guys will never forget their tennis days.

Volleyball is an exciting sport and it demands time and effort. As each year goes by you put more work into it. Your Freshmen year you just learn. Sophomore and Junior year you try harder. Then your Senior year you give all because you want to remember how hard you tried to make the team No. 1, even if you took fifth place. If you don't work in practices, it will show in the games. Volleyball is not just fun, as some people may think. It is a very rewarding sport.

Brenda Sisson and the gang look down on the world.

As anyone can see, golf is now not only a rich man's sport, but any mans sport, and M.H.S. has the option to prove it. So if you want to be elite, and you're really not, come to golf this spring and have some fun.

Senior J. Wenham, eyes the birdie for the next shot.

The Big Run-a-round

In talking about the seniors on the team, we have the best. Guys like Tim Desormeau, Kelly Urban, Dennis Huffman, Scott Tucker and Mark Warren. They compliment you when you have done well and let it ride if you don't. I guess that's one of the unfortunate things about graduating, losing all those good people.

Take A Hike

The best way to participate in a spring sport is to participate in track. Along with team spirit, there is that individual goal that only the participant can fulfill. He/she can look back with pride and say, "I did It."

Mark Warren, alias Polo, hurdles for his life.

Row 1: K. Evans, B. Potter, B. Adrion, B. Klemp, M. Van Coulter, B. Goodman, B. Riddle, D. Kane. Row 2: C. Addie, S. Birkness, T. O'Connor, R. Wecker, J. Parker, M. Kilcoyne, J. Belzer, S. Knutson, K. Silha, Mr. Zahn, Mr. Caldwell. Row 3: M. Warren, B. Thomas, J. McCulloch, L. Arnold, R. Rittenhouse.

Tim O'Connor, alias Mr. Muscle, winds up for the discus throw.

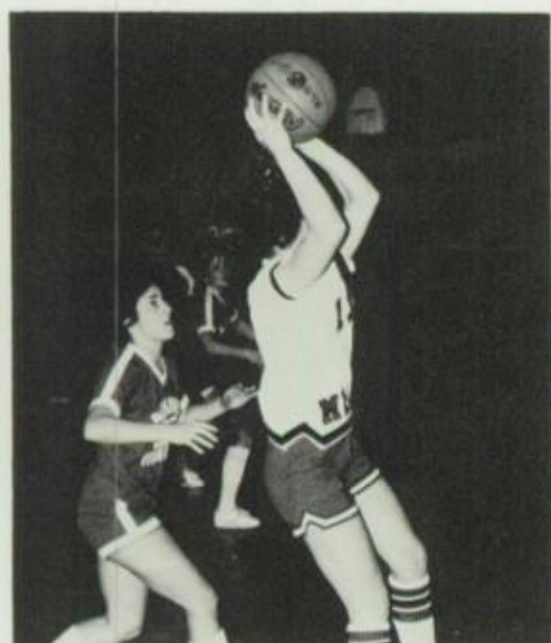

If you need a place to be during the spring, the place to be is in girls' track. Girls' track is not only fun, but also gives you a chance to excel and represent your school in a positive way. Although girls' track had a rather dismal season, many fine performances were turned in by many people.

Bye Bye Byrdie

Bye Bye Birdie

Lead parts Dan Calhoon and Tam Arnold take time out.

This year's musical production of "Bye Bye Birdie" turned out to be a huge success. The story about a teenage heart-throb who goes into the army brought out many outstanding performances that will be remembered for a long time. Mr. Shrank's first production was a great success we're sure he'll never forget (how could he??). Mrs. Davidson, Mr. Dabson, Mrs. Paulson, and Mrs. Leonard are all to be commended for the wonderful jobs they did too. The whole production was a super experience that culminated in a terrific cast party. "Bye Bye Birdie," a true memory maker!!

"Spanish Rose" shows her talent.

Mama Peterson is oblivious to reason.

Mrs. MacAfee (Jill Grunzel) and Kim MacAfee (Dona Howe) smile for the camera.

Conrad Birdie (Paul Henzel) displays the ultimate cool.

We Survived Bye Bye Birdie

If any two are to be congratulated for the success of this year's musical, it certainly should be Mr. Schrank and Mrs. Davidson. A former Milton High School musical star himself, Mr. Schrank knew what had to be done to produce a hit. Mrs. Davidson, who has been doing musicals for years, used her expertise to make the musical a memorable experience for everyone.

Joe Tougas, as the Mayor, displays horror about his wife's swooning over Conrad Birdie.

Albert rejects motherly advice.

Conrad's fans smile for the "Birdie".

Conrads struts his stuff!!!

Albert and Rose (Dan Calhoon, Tam Arnold) end a three night engagement.

The MacAfees — star struck again.

Student Council

To the Student Body at Milton Senior High:

Over all, I feel this past year hasn't been half bad. There weren't really any major conflicts or disputes among students or classes.

Although the student body seemed more unified, the Student Council seemed more divided. It is really a shame too. Here we are the council, who supposedly are elected to represent classes, and we aren't even together as a unit ourselves. I really can't blame everyone on the council, because there were a few who helped out a great deal. To all of these people I wish to say thank-you.

When I took on this job, I felt that it was my chance to help better things at M.H.S., but it is not a one, three, or five man job. It has to be a total group effort. I sincerely hope there are a few more people who will want to represent their class and who will be willing to put more effort into it in the future. That would make the Student Council a more worthy operation.

Best of luck to next year's Student Council.

In the coming year, Student Council will try to break the everyday hum-drum of school with a quality Homecoming parade, a snow festival, and possibly a "Sweetheart Day." We hope these celebrations will stir up more interest and involvement for the students here at M.H.S. We will really make an attempt to make school a happier place so that when your high school days come to an end ... those days will be reflective of the saying, "a good time was had by all."

To Whom It May Concern:

Well, the hours and hours of producing are over and all I can say is "Thank God". Not that this honor of being yearbook editor wasn't educational, it just wasn't a lot of fun. I will remember though, the missed deadlines and dedicated staff who did try to make it a great year.

I sincerely hope that this yearbook has captured the year for everyone in our school. In years to come students will hopefully be able to turn back and say it was "All in Fun." Because that's what these years are for, and though the future holds everything for all of us, we will never be able to turn back and live these days again. All we can do is remember them.

The format of this yearbook is changed simply because we thought a change was necessary. The additional color picture will hopefully be something everyone can treasure, simply because we went through so much to get it. In closing I'd like to say thank you to my staff and good luck to next year's staff. To the class and friends of 1980 and the other years, remember, it was "All in Fun."

Dan Calhoon
Editor

Being a First year advisor to this year's Blackhawk was one of the most exciting and difficult things I've done in my teaching career. Not knowing anything about "yearbooking", such as how to do layouts, crop pictures, and type copy, made it extremely difficult, but working with a good editor (Dan Calhoon) and assistant editor (Marcia Fisher) at least made the difficulty fun. This certainly was a unique year for Blackhawk Staff. We changed the format of the book in a few ways, and we had to cope with running around trying to gather new teacher pictures. And added plus this year, we feel, is the addition of the group senior picture (in color) on the endsheets of the book.

Once again we were very fortunate to be working with a Josten's Yearbook Representative as helpful and genuinely concerned as Ken Whittemore. His countless hours of encouragement really helped our young staff pull through. It seems as though other students and staff not involved with yearbook do not realize the amount of time the students on staff devote to capture their year in pictures.

I would like to thank the board, administrators, teachers and students who cooperated in the production of this year's book. Also, I must mention Mr. Dave Wiener who made some semblance of order out of our darkroom and ordered supplies for our use next year.

Hopefully the 1979-80 Blackhawk will represent our school in a positive way, and I as advisor look forward to the 1980-1981 Blackhawk.

As coordinating editor of this year's school newsmagazine, I have learned some of the responsibilities of putting out a school publication. Not only have I learned to write stories, but I have also learned to do last minute art work for editors that forgot to get an art student to do it for them.

This year we had six main editors. We knew that being the voice of the student body would be a hard task. Our main goal was to make a school newsmagazine that would not be afraid to cover sensitive issues.

Being on the ODYSSEY staff this year proved to be a lot of fun and probably one of my most memorable times in high school.

FFA Leads The Way!!

Milton FFA was very active during the past year. In the state judging contests, Milton was second in Livestock, third in the Farm Management Division, and seventh in Meat Evaluation. They also attended the National Convention in Kansas City, MO., and the state convention in Green Lake, WI., where they received a gold rating for safety, a silver rating for BOAC, and a superior rating for the chapter. Locally, they helped the Kiwanis Club and the Milton Community plant trees, put safety articles in the Courier, and worked on building safety lights for the area farmers. Last summer, Kevin Bacon and Paul Langer represented Milton's FFA at the Washington, D.C. Convention.

Drama Guild is a great way for amateur actors and actresses to get a good start. It also is a good way to get to know people. Exciting plays and skits are always on the agenda. Pete's Page

Hi! I'm Peter Jaeschke and I'm from Cleve, South Australia. I've been here at Milton since July, 1979, and I'll be leaving in June, 1980. So far I've had quite an interesting stay, including being on the football team, participating in the school musical, and attending school as a senior.

My host family, the Bua's, were kind enough to open their home to me, and I thank them for that. One of the nice things about an AFS experience overseas, is that the student and the family become very close, which is really neat, because now I feel as though I am a part of the family.

I find it very interesting, as nearly every day I notice something new and different about American life, and often have the opportunity to share my knowledge about the way I lived in Australia.

I come from Cleve, which is a small town of under a thousand people. My father is a farmer, farming sheep, wheat, barley and oats. My mother is a kindergarten teacher, and I have two brothers and two sisters. I went to school in Cleve for 10 years. Then I went to school at

Immanuel College, over 300 miles away, in Adelaide to do years 11 and 12. Half way through year 12, I left school to come over here. In July 1980, I will return to Immanuel College to complete year 12.

This year at Milton High School has proved to be a very valuable experience for me. I will never forget it, or the people that I have met, and I thank you all for that. Peter Jaeschke

Well, the end of the school year draws near, and with it comes the end of Peter's stay with us. I think everyone will agree that "Kangaroo Breath" (alias Peter) was a truly unique AFS student. When he wasn't enriching our lives with his knowledge of his native Australia, he was building our AFS club up from the sad shape it was in. To do that either takes a lot of enthusiasm or being crazy. With Peter it is a mixture of both. I can tell you though, it's not so easy living with a koala bear, and living with anybody with a "bloody" English accent is enough to drive you nuts. With that I must conclude by saying — Good Luck Pete, (you'll need it!).

Mike Bua

AFS or American Field Service was designed to promote international goodwill and friendship. Using the idea of a student exchange, AFS'ers throughout many countries share cultures, educational ideas, family situations, religion, and a multitude of other opinions and goals with their new host country. Never before has our school been so fortunate to receive such an articulate and friendly AFS'er as Peter Jaeschke.

Pete's enthusiasm and good natured humor really gave the AFS club a needed boost this year. When the year began we were in debt, but Pete's hardwork and perservance really paid off. As a group, we participated in Homecoming by creating a float, we had pizza and stuffed animal sales, and we took over the concession stand (from FHA- at home basketball games. All this got us out of debt and laid a firm foundation for next year's club.

Despite the jokes we kicked around about "Koala Bear Breath", we're really going to feel a loss with Pete's departure.

From all of us in AFS, goodbye Pete and good luck!
